- (d) the State requires that this agreement be novated to the Successor Scheme Coordinator or the State (**Incoming Party**),

the parties must enter into a novation agreement with the Incoming Party such that, with effect on the date of novation, this Agreement is terminated and the Incoming Party and the Recycler become parties to a new contract on the same terms as this Agreement for the balance of the Term.

17.3 Duty

The Recycler:

- (a) must pay all stamp duties and any related fines and penalties in respect of this Agreement, the performance of this Agreement and each transaction effected by or made under this Agreement;

- (a) that the validity or enforceability of the relevant provision in any other jurisdiction is not affected;

17.5 No Agency or Partnership

Nothing in this Agreement is to be construed as constituting an agency, partnership, joint venture, or any other form of association between the parties in which one party may be liable for the acts or omissions of any other party. No party has the authority to incur any obligation or make any representation or warranty on behalf of, or to pledge the credit of, any other party.

 - (ii) does not preclude that party from enforcing or exercising any other right, remedy or power under this Agreement nor is it to be construed as a waiver of any other obligation or breach.

17.9 Severance

If a provision in this Agreement is wholly or partly void, illegal or unenforceable in any relevant jurisdiction that provision or part must, to that extent, be treated as deleted from this Agreement for the purposes of that jurisdiction. This does not affect the validity or enforceability of the remainder of the provision or any other provision of this Agreement.

17.10 Governing law and jurisdiction

- (a) This Agreement is governed by and is to be construed under the laws in force in Western Australia.
- (b) Each party submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in Western Australia and courts of appeal from them in respect of any proceedings arising out of or in connection with this Agreement. Each party irrevocably waives any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

17.11 Further assurances

Each party must, at its own expense, do all things and execute all further documents necessary to give full effect to this Agreement and the transactions contemplated by it.

17.12 No reliance

However, the validity of this Agreement is not affected if the party who has emailed the counterpart delays in delivering or does not deliver it by hand or by post.

17.15 Exercise of rights

- (a) Unless expressly required by the terms of this Agreement, a party is not required to act reasonably in giving or withholding any consent or approval or exercising any other right, power, authority, discretion or remedy, under or in connection with this Agreement.

- (b) A party may (without any requirement to act reasonably) impose conditions on the grant by it of any consent or approval, or any waiver of any right, power, authority, discretion or remedy, under or in connection with this Agreement. Any conditions must be complied with by the party relying on the consent, approval or waiver.

17.16 Remedies cumulative

Except as provided in this Agreement and permitted by law, the rights, powers and remedies provided in this Agreement are cumulative with and not exclusive of the rights, powers or remedies provided by law independently of this Agreement.

17.17 Clauses that survive termination

- (a) Without limiting or impacting upon the continued operation of any clause which is expressed to, or as a matter of construction is intended to, survive the termination or expiry of this Agreement, clauses 11.7, 12 and this clause 17.17 survive the termination or expiry of this Agreement.
- (b) Each indemnity contained in this Agreement is a continuing obligation, independent from the other obligations of the parties and survives the termination or expiry of this Agreement. It is not necessary for a party to incur expense or make payment before enforcing a right of indemnity under this Agreement.

17.18 Corporate power and authority

Each party represents and warrants to the others that it has full power to enter into and perform its obligations under this Agreement and that when executed it will constitute legal, valid and binding obligations in accordance with its terms.

If a Bid is the highest Accepted Bid on a Lot, and that Bid is over the Reserve Price, the total price payable by the Successful Purchaser for the Lot will be calculated by reference to the actual weight of the Lot multiplied by the amount per metric tonne (or some other unit of measure determined by the Principal) bid by the Successful Purchaser.
 - (d) The Recycler acknowledges that the Principal may submit Bids itself or through its agents.
 - (e) Bids must only be submitted via the bidding function within the Online Recycling Material Sales Platform. Bids submitted through other mediums will not be accepted.

 - (h) The Principal may provide the Recycler with opportunities to provide feedback in relation to Lots it has purchased. The Recycler agrees to use this system reasonably and fairly. The Recycler must not, and must procure that its Personnel (including any Recycler Representative) do not, use this system maliciously or with the intention of impacting the outcome of any Auction Event.
 - (i) If a Recycler's account is suspended under clause 10, the Principal may delete any of the Recycler's Bids at its sole discretion. If the Principal does not delete a Bid, the Recycler will remain bound by these Auction Terms and Conditions in respect of that Bid.
 - (j) The Recycler acknowledges that the Principal may require the Recycler to provide additional verification or information associated with a Bid.
 - (k) The Recycler agrees and warrants that:
 - (i) it has the legal capacity to purchase the Lot it Bid for and will not otherwise be breaching any Statutory Requirement in purchasing that Lot;

- (iii) it will not Bid for any Lot unless it is capable of paying for the relevant Lot in the amount of the Bid it made.

5. Lots

- (a) The Recycler acknowledges that:
 - (i) it has been provided with a reasonable opportunity to inspect a Lot (in coordination with the relevant Processor or MRF that has possession or control of the Lot) before placing a Bid on the Lot in an Auction Event, or purchasing the Lot through a Direct Sale, and it is the Recycler's responsibility to conduct any due diligence it considers necessary in relation to any Lots on which it Bids;

 - (iv) minimum bid increment; and
 - (v) any other conditions determined by the Principal to be relevant to that Auction Event.
- (b) The Principal may change the Reserve Price or Auction End Time, in respect of an Auction Event or individual Lot, at any point prior to the Auction End Time.

- (c) The Principal may, at its sole discretion:
- (i) withdraw a Lot from an Auction Event at any time (including after the commencement of an auction but prior to its completion) for any reason, regardless of whether a Bid has been submitted that is higher than the Reserve Price for that Lot, in which case the Lot will remain unsold;
 - (ii) cancel or reschedule an Auction Event at any time (including after the commencement of an auction but prior to its completion) for any reason, regardless of whether a Bid has been submitted that is higher than the Reserve Price for a Lot in that Auction Event, in which case any related Lots will remain unsold; or
 - (iii) prevent Bids from being submitted for any period of time during the Auction Event.
- (d) If the Principal withdraws a Lot or cancels an Auction Event pursuant to clause 6(c), the Principal may not sell the withdrawn Lot or any Lots the subject of an Auction Event other than:

 - (ii) to the Processor from whom the Lot was purchased by the Principal; or
 - (iii) to the MRF from whom the Lot was purchased by the Principal.

7. Overtime bidding

- (a) Without limiting clause 6(b), the Principal may extend an Auction End Time in respect of an individual Lot by five (5) minutes if a Bid on the relevant Lot is accepted within the five (5) minute period immediately before the Auction End Time. The Principal may extend the Auction End Time in respect of the Lot for further five (5) minute periods until a five (5) minute period has lapsed during which no Bids have been accepted.
- (b) It is the Recycler's responsibility to monitor changes to the Auction End Time. The Principal will not be liable for any Loss the Recycler may suffer due to the Principal's decision to extend or not extend an Auction End Time.

8. Completion of Auction

If, at the Auction End Time:

- (a) there is an Accepted Bid which is above the Reserve Price and the Recycler is the recycler that submitted the highest Accepted Bid (the **Successful Purchaser**):
 - (i) the Recycler must purchase; and
 - (ii) the Principal must sell (**Seller**),

the particular Lot in accordance with the terms of clause 6.3(b) of the Recycling Panel Agreement; and

- (b) if there is not an Accepted Bid which is above the Reserve Price, the Principal may, at its sole discretion withdraw that Lot from sale and:
 - (i) relist the Lot for sale in an Auction Event; and/or
 - (ii) sell the Lot through a Direct Sale.

9. Automatic Bidding

The Principal may offer and the Recycler may elect to use the automatic bidding function of the Online Recycling Material Sales Platform to place Bids (**Automatic Bidding**). If the Recycler elects to use Automatic Bidding, it acknowledges and agrees that:

- (a) it is responsible for selecting a maximum bid amount. The system will automatically submit Bids on its behalf up to this maximum bid amount. The Principal accepts no liability for any sale that results from a failure by the Recycler to select a maximum bid amount;
- (b) if a minimum bid increment applies to the Lot, Bids will be submitted on the Recycler's behalf for the amount equal to the previous bid plus that minimum increment, up to any maximum bid amount;
- (c) if no minimum bid increment applies to the Lot, the Recycler may select the bid increment to apply to the Automatic Bidding, otherwise the Principal will select a bid increment on the Recycler's behalf at the Principal's discretion;
- (d) the Principal is not liable for any errors that occur in relation to Automatic Bidding and the Recycler is responsible for monitoring Bids placed on its behalf; and
- (e) the Recycler is bound by all Bids submitted on its behalf through the Automatic Bidding system.
- (f) The Recycler acknowledges and agrees that if:
 - (i) it elects to use Automatic Bidding in respect of a Lot;
 - (ii) it selects the same maximum bid amount (**Common Maximum Bid**) as another recycler that has elected to use Automatic Bidding in respect of that Lot (**Other Bidder**);
 - (iii) the Other Bidder places the Common Maximum Bid using Automatic Bidding in relation to the relevant Lot at an earlier point in time than the Recycler did; and
 - (iv) the highest Accepted Bid on the relevant Lot is equal to the Common Maximum Bid,

the Recycler may be considered to be outbid by the Other Bidder, in which case the Recycler will not be the Successful Purchaser of the Lot.

10. Suspension

- (a) If:
- (i) the Recycler breaches any term of these Auction Terms and Conditions or the Recycling Panel Agreement;
